Come closer, there's more

BECAUSE  
IT'LL SURPRISE YOU

Viladecans is a city with an entrepreneurial and nonconformist spirit. It'll surprise you with its quaint village essence, together with its big city amenities. It'll surprise you with its landscape, boasting a large agricultural park with garden-fresh products, a green coastline, protected natural spaces and a rich environmental forest area, city parks full of weekend activities, and unique architectural sites which, together with the fiestas and events, invite visitors all year long... Viladecans is ideally-located, only twenty minutes from Barcelona and well connected, only ten minutes from the airport.

© Jaume Muns

WITH ITS BEACHES AND NATURAL ENVIRONMENT

The virgin beaches of Remolar and Cal Francés, together with the beaches of La Pineda and La Murtra, spread out from the mouth of the Remolar lagoon to the mouth of La Murtra, through an extensive coastal pine forest. The Forest Park of Mas Ratés and Can Trius, the Remolar-Filipines Natural Reserve and the Sant Ramon mountain sanctuary are natural spaces which form a rich environmental and cultural area right in the middle of a Metropolitan Area.

WITH ITS GARDEN AND PRODUCT OF VILADECANS

With 700 hectares, one of the largest extensions of cultivated land of the Agricultural Park, Viladecans offers you a wide variety of high-quality products. Garden-fresh products which you can buy in the municipal markets in Plaça d'Europa and Plaça de la Constitució, in the Farmers' Market held each Wednesday and in specialised stores. If you'd like, you can taste them in our restaurants or during culinary activities such as the Tapa Festival, the TapaWeekend, showcooking events and culinary workshops during the Sant Isidre Festival.

WITH ITS SHOPPING OPTIONS

The shopping area of c. Dr. Reig, the Old Town, Rambla Modolell and the Plaça d'Europa and Plaça de la Constitució municipal markets offer a wide range of high-quality products, services and dining. Outside of the city centre, the Vilamarina Shopping Centre, with its stores and family leisure time activities, and Viladecans The Style Outlets, with discounts on the top fashion brands, complete a shopping array so that you can find what you're looking for.

WITH ITS HEALTHY LIFESTYLE

Viladecans is a city which promotes sustainable mobility, environmentally respectful habits, health and well-being. The city offers various activities that you can enjoy in a healthy way: marked hiking trails and itineraries, bicycle routes, horseback riding trails... as well as specialised activities such as Bird Watching in the Delta del Llobregat.

WITH ITS CULTURE, FIESTAS AND EVENTS

Viladecans offers up reasons to visit all year long. The Atrium Theatre is a point of reference for the county in Theatre Arts with its year-round schedule, while in the Ca n'Amat museum you'll learn how the local farmers worked and lived in the past. You can also discover unique buildings such as the Torre Roja, Torre del Baró and Can Modolell (Casa de la Vila), as well as enjoy important street events such as the Festival de Teatre Al Carrer (Street Theatre Festival), the FERIA de Sant Isidre (Sant Isidre Festival) and the Mediaeval Fair, among others.

#### PLACES OF INTEREST

**Atrium Viladecans**  
A unique space which brings together sport and cultural services all in one location. Its cultural programme is considered one of the most varied and interesting throughout Catalonia.

**Torre-roja**  
A mediaeval building, from the 13<sup>th</sup> century, reformed and expanded throughout the first decades of the 20<sup>th</sup> c. Property of the Burguès family (13<sup>th</sup>-16<sup>th</sup> c.), it passed to the Alòs (18<sup>th</sup> c.) and finally at the start of the 20<sup>th</sup> century to Mercè Pratmarsó.

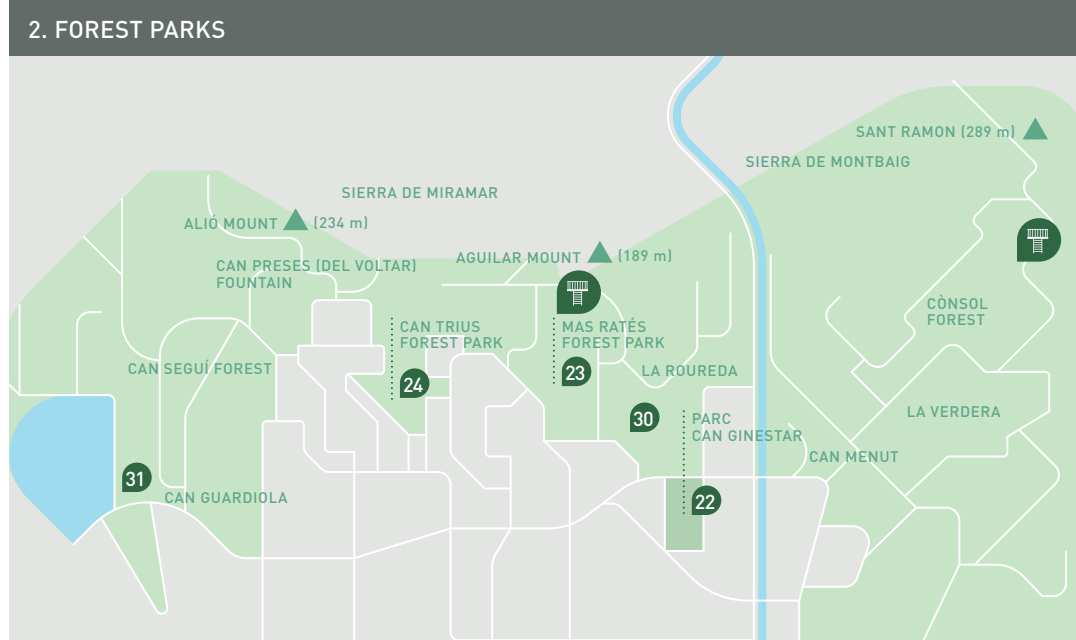

**Ca n'Amat – Museu de Viladecans**  
Building from the end of the 18<sup>th</sup> century, reformed in the middle and end of the 19<sup>th</sup> century, representative of the well-off rural bourgeoisie.

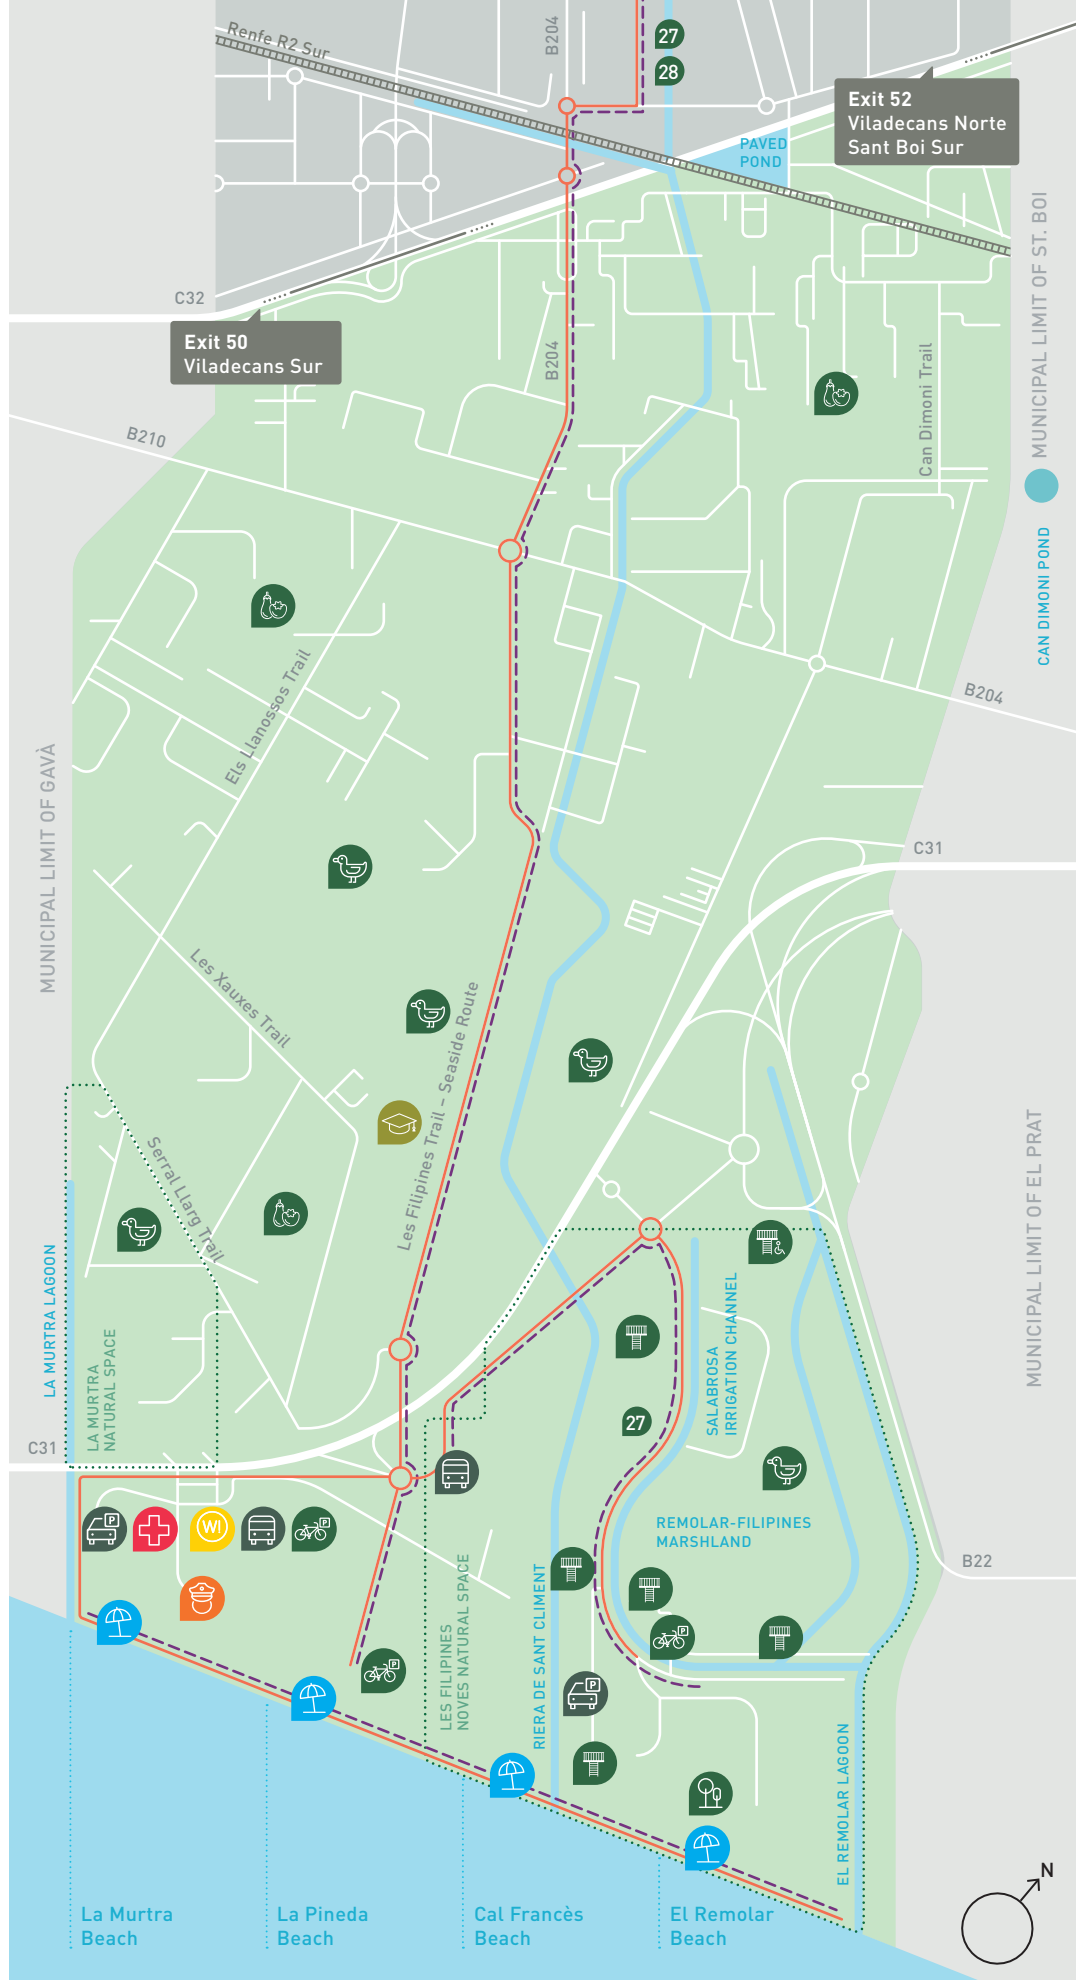

**Can Modolell – Casa de la Vila**  
A building with neo-Gothic inspiration built in 1892 by the architect Josep Azemar at the request of the local property owner, Magdalena Modolell i Freixas.

**Torre del Baró**  
A mediaeval building, the seat of the Barcelona-based line of the Burguès, the family that owned the property within the city limits of Viladecans throughout the 13<sup>th</sup>-16<sup>th</sup> c.

#### 3. AGRICULTURAL AREA, BEACHES AND NATURAL SPACES

#### PLACES OF INTEREST

**Remolar – Filipines Natural Space**  
One of the most important wetlands in Catalonia. This space is a protected natural area, where you can observe more than 360 species of birds and 22 orchid species.

**La Murtra Beach**  
Open access beach, parking for 450 vehicles, VB4 bus during the season and regular services.

**La Pineda Beach**  
Open access beach for pedestrians and cyclists. No parking area. This is a protected natural space.

**Cal Francès Beach**  
With the Virgin Beach distinction, it has limited access and no services. This is a protected natural space.

**El Remolar Beach**  
With the Virgin Beach distinction, it has limited access and no services. This beach is a protected natural area and has an overlook tower from which you can observe sea birds.

**Baix Llobregat Agricultural Park**  
With traditional agricultural riches and 3,332 ha of surface area, this park integrates the agricultural regions of 14 municipalities, the Llobregat river and natural spaces.
